I.3. POLICY GUIDELINES

POLICY DEFINITION

A course of action, guiding principle, or procedure designed to influence and determine decisions, actions, and other matters.

PURPOSE

In an attempt to enforce good administration through equitable enforcement and continuity of decisions, with the understanding that all matters brought before the Board of Selectmen are reviewed on a case by case basis, and with the understanding that the Board, at any time, may determine that a particular policy guideline is no longer applicable to the general good, the Policy Guidelines Handbook will serve as a learning tool for new members, as a reference source for the current Board when determining decisions, and as a sourcebook for the public interested in particular matters.

ADOPTION OF POLICY GUIDELINES

Votes taken at Board meetings fall into two categories: votes specific to one item and not applicable to other actions, and votes that may be applied to future actions. The latter may be adopted as a “policy guideline.”

Ever-mindful of policy implications, votes may be considered as a policy guideline at the request of Board members, staff or the public. Once a request has been made to the Chairman of the Board of Selectmen, the item will be placed on the agenda of a future Board meeting. At that time, a policy guideline will be adopted if a majority of the Board so votes.

The Policy Guidelines Handbook will be immediately updated whenever votes taken either establish a new guideline or revise an old guideline.

An annual review of the Policy Guidelines will be initiated by the Chairman.

Decisions on matters coming before the Board of Selectmen and policy guidelines established by the Board prior to the adoption of this manual will be considered for insertion in this manual upon review and consensus approval by the current Board.

No hypothetical situation alone will be considered in the adoption of Policy Guidelines.

AUTHORITY FOR THE BOARD OF SELECTMEN

The Board of Selectmen is an elected Board and derives its authority and responsibilities from the statutes of the Commonwealth of Massachusetts, “An Act Establishing A Selectmen – Town Manager Plan For the Town of Andover” (The Charter), and the By-Laws of the Town of Andover.

General References:

- Chapter 41 – General Laws of the Commonwealth of Massachusetts
- Chapter 571 of the Acts of 1956, Selectmen-Town Manager form of Government, as amended.
- Handbook for Massachusetts Selectmen, 1988, Massachusetts Municipal Association (MMA).

ELECTION AND QUALIFICATION

In accordance with the Acts of 1922, Chapter 1, of the Commonwealth of Massachusetts and the Andover Town Charter, the Board shall consist of five duly-elected members, each of whom shall be elected by the registered voters of the Town of Andover to terms of three (3) years. On a staggered basis, two members’ terms shall expire in one year, two the following year, and one in the third year.

Before assuming official duties, each newly elected member shall be sworn to faithful performance of official duties and responsibilities by the Town Clerk and shall be given a copy of the Open Meeting Law.

VACANCIES ON THE BOARD

When a vacancy occurs in the office of Selectman, the remaining Selectmen may at any time prior to the next Town election appoint a qualified person to serve as Selectman until such election, at which election voters shall elect a Selectman to serve for the unexpired portion, if any, of the original term.

However, if such a vacancy or vacancies occur less than 100 days prior to the annual election and not less than three members of such Board remain in office, the vacancy or vacancies shall remain unfilled until such annual election.

BOARD AS POLICY-MAKERS

The Board of Selectmen shall be considered the makers of policy of the Town government, except as otherwise directed by the Statutes or by the Town Charter. The Town Manager shall be responsible for ensuring that the boards, officers, and representatives of the Town comply with the policy determinations of the Selectmen.

I.4. RULES OF ORDER AND PROCEDURE

BOARD OF SELECTMEN

I.4.1. Organization

Election of Officers – The Board of Selectmen shall meet in regular session (See 2, Below) each year on the Tuesday following the annual town election for the purpose of electing its own officers and conducting such other business as may come before it.

Terms of Office – Officers of the Board of Selectmen shall serve until new officers are elected, or until their term as Selectmen has expired through resignation or the election of a replacement.

Officers of the Board – From among its members the Board of Selectmen shall elect a Chairman, a Vice-Chairman, and a Secretary.

The Chairman – The Chairman of the Board of Selectmen presides at all meetings of the Board at which he/she is present. He/She is the ceremonial chief civil officer of the Town. The Chairman, when representing the Board of Selectmen, is careful to take only positions on subjects which have been approved by the Board. When necessary to make observations on other matters, he/she is careful to make clear that the opinion expressed is his/her own as an individual Selectmen and not necessarily that of the Board.

The Vice-Chairman – The Vice-Chairman performs the functions of the Chairman in the latter's absence. Should the Chairman resign, the Vice-Chairman automatically succeeds him/her.

The Secretary – The Secretary is responsible for the accuracy of the minutes of the meetings of the Board of Selectmen and, when prepared, signs those minutes which become part of the official public records of the Town.

The Recording Secretary – The Board of Selectmen retains on a salaried basis a Recording Secretary who is experienced in recording the proceedings of meetings both live and from tape recordings. The Recording Secretary attends all meetings and conference sessions of the Board of Selectmen and is responsible for putting minutes of those meetings in **draft form** under direction for the Town Manager for approval of the Board at its next regular meeting.

Liaison with Town Boards and Committees – Each Selectmen is assigned one or more of the Town Boards and/or Committees whose meetings he/she attends when considered appropriate and with those activities he/she maintains current information to be passed on to the Board of Selectmen upon request or where the individual Selectman deems it desirable.

Further clarification of the Selectman's role as Liaison will be defined in a later section.

I.4.2. Board of Selectmen Meetings

Place for Meetings – The designated place for regular and special meetings of the Board of Selectmen shall be at the **Andover Town Offices, Bartlet Street, Third Floor Conference Room**, unless otherwise provided by the Board.

Regular Meetings – The Board of Selectmen shall meet in regular session on the **First and Third Mondays** of each month at 7:30 p.m. except on holidays or when another day and hour has been fixed by resolution of the Board.

Special Meetings – Special Meetings of the Board of Selectmen may be called at the request of three members of the Board or by the Chairman of the Board.

Work Sessions – The Board of Selectmen may meet in a Work Session at 7:30 p.m. on the fourth Monday of each month. If necessary, a short, regular business meeting may be held prior to work sessions. Work sessions will be held at the **Andover Town Offices, Bartlet Street, Third Floor Conference Room**, unless otherwise provided by the Board.

The Work Session shall be devoted primarily to any matters regarding which the interchange of information is deemed desirable or essential by the Board and/or Town Manager, and particularly preliminary to discussion and action at the regular meetings of the Board.

No formal vote shall be taken on any matter under discussion nor shall any Board member enter into a commitment with another respecting the vote to be taken subsequently in a regular meeting of the Board; provided, however, that nothing herein shall prevent a polling of the Board or the taking of an informal vote on any matter under discussion.

Agenda procedures shall be the same as for regular meetings except that matters not included on a work session agenda shall be taken up by the Board only after listed agenda matters have been considered. No vote of the Board shall be required to consider a non-agenda item.

Additional work sessions may be held at the request of the Chairman of the Board of Selectmen, or of a majority of the Board. It shall be the responsibility of the Chairman of the Board to advise all other members of the Board and the Town Manager of any additional work sessions.

Executive Session – An Executive Session may be convened at the request of the Town Manager or by a majority vote of the Board as part of a regular or special Board meeting. Attendance at the Executive Session shall be limited to the members of the Board and the Town Manager; provided, however, that the Board and/or Town Manager may invite such persons as may be required for advice and information. Executive Sessions may be called solely for the following purposes:

- a. To discuss the “reputation, character, physical condition or mental health rather than the professional competence” of a particular individual. A governmental body shall hold an open meeting if the individual involved request that the meeting be open.
- b. To consider the discipline or dismissal of, or to hear complaints or charges brought against a public officer, employee, staff member, or individual. A governmental body shall hold an open meeting if the individual involved requests that the meeting be open.
- c. To discuss strategy with respect to collective bargaining or to litigation, if an open meeting may have detrimental effect on the bargaining or litigating position of the governmental body; and to conduct collective bargaining sessions or contract negotiations with nonunion personnel.
- d. To discuss the deployment of security personnel or devices.
- e. To investigate charges of criminal misconduct or to discuss the filing of criminal complaints.
- f. To consider the purchase, exchange, lease or value of real property if an open discussion may have a detrimental effect on the negotiating position of the governmental body with a person, firm or corporation.
- g. To comply with the provision of any general or special law or Federal grant-in-aid requirements.
- h. To consider and interview applicants for employment by a preliminary screening committee or a subcommittee appointed by a governmental body if an open meeting will have a detrimental effect in obtaining qualified applicants; provided, however, that this clause shall not apply to any meeting, including meetings of a preliminary screening committee or a subcommittee appointed by a governmental body, to consider and interview applicants who have passed a primary or preliminary screening.

BEFORE holding an executive session for one of the above reasons, the Selectmen must first convene in open session for which notice has been given. A majority of members must vote to go into Executive Session, and the vote of each member must be a roll call recorded in the minutes.

The presiding officer must specify in the open meeting for which of the above reasons the Executive Session is being held. Before the Executive Session, the presiding officer must state whether the Selectmen will reconvene in open session afterwards.

Accurate records must be maintained for all Executive Sessions. At a minimum, the records must set forth the date, time, place, members present or absent, and action taken. According to the law, Executive Session records may remain secret **only** “so long as publication may defeat the lawful purposes of the Executive Session, but no longer.”

Quorum – Three members of the Board shall constitute a quorum. In the event a quorum is not obtained, the member(s) present may adjourn the meeting to a specific date and time. Three affirmative votes shall be required to approve any matter acted upon by the Board except as otherwise provided by the rules of the Board.

Open Meeting Law – All meetings of the Board of Selectmen shall be held and conducted in strict compliance with the requirements of the Massachusetts Open Meeting Law. **Each newly-elected Selectman shall be given a copy of the Open Meeting Law by the Town Clerk and will be required to sign a statement acknowledging that he/she has received it.** (A copy of the Open Meeting Law will be added to the “Reference Section” of the Selectmen’s policy notebook.)

Posting of Meetings – It shall be the duty of the Town Manager for all meetings and work sessions of the Board of Selectmen to post the notice of the meeting or work session in a conspicuous place in the Town Offices at least forty-eight (48) hours (including Saturdays but not Sundays or legal holidays) before a meeting is to take place. Notice of the meeting is also to be filed with the Town Clerk. Meeting notice must be in “easily readable type” and include date, time and place.

Immediately upon receipt of a request for a special meeting he will make every diligent effort to notify each member of the Board in person, either by telephone or otherwise, of such special meeting. The law allows that in the case of an emergency, defined as “a sudden, generally unexpected occurrence or set of circumstances demanding immediate action,” an open meeting may be held even though notice was not posted in time. Notice of such meetings should still be posted as much in advance of the meeting as possible.

The Town Manager shall also publicize each meeting or work session in the newspaper of general local distribution.

Recording of Meeting – Any person in attendance at an open meeting may record the meeting by any means of sonic reproduction, including videotaping, provided that there is no active interference with the conduct of the meeting. If requested, persons intending to make such recordings must so declare.

Suspension of Rules – Any provision of the rules of the Board of Selectmen not governed by State Statute or otherwise governed specifically by the Rules of the Board may be temporarily suspended by a majority of the full Board.

I.4.3. Agenda

Preparation of Agenda for Board Meetings - The agenda for a Monday meeting will be prepared by the Town Manager after conferring with the Chairman and/or other members of the Board on the Thursday preceding the meeting. The agenda will close at 4:30p.m. on Thursday, and no changes to it shall take place there-after except as follows:

Any matter coming to the attention of the Town Manager or a member of the Board after the above-stated closing time and considered to be an emergency matter may be included on the agenda. The Chairman of the Board will be notified of any such changes.

Consideration of matter of a non-emergency nature may be allowed at the discretion of the Chairman, but may be tabled until the next regular meeting.

Submission of Proposed Agenda Items – All reports, communications, resolutions or other matter to be submitted to the Board shall be delivered to the Town Manager by 4:30 p.m. on the **Thursday** preceding each regular meeting or work session of the Board, whereupon the Town Manager shall immediately arrange or cause to be arranged a list of such matters according to the Order of Agenda.

The Town Manager shall deliver to each member of the Board and the Town Clerk a copy of the agenda at least eight (8) business hours prior to the Board meeting or as far in advance of the meeting as time for preparation will permit.

No action will be taken by the Board on papers circulated for the first time in any regular meeting unless the matter covered is of an emergency and/or routine nature.

Supporting Information – All matters included on the agenda, unless clearly self-explanatory, shall have been preceded by or shall be accompanied by written explanations or descriptive materials; such information to be provided by the sponsor of the agenda item and/or the Town Manager. This background information is intended to aid in the Selectmen's consideration of matters to be brought before the Board.

The Town Manager will also provide the Board with weekly memoranda and/or monthly reports containing information pertinent to the responsibilities of the Board in order to keep the Selectmen informed or to reduce the amount of inconsequential matters on the weekly agenda.

Distribution of Agenda – Copies of the agenda shall be made available to the recording secretary, media and the public concurrent with its delivery to the members of the Board of Selectmen. A sufficient number of copies of the agenda shall also be available to the public at the Board meetings.

Copies of additional documentation pertaining to items on the agenda shall also be made available to the public at Board meetings. Determination of pertinent items shall be made by the Chairman and/or the Town Manager.

Town Manager Recommendations – All agenda matters relating to the administration of the Town including licensing and permits shall be acted upon by the Board only when accompanied by recommendations of the Town Manager; said recommendations to be made in writing or orally and made a part of the official record of the Board.

Citizens' Petitions and Presentations –

- A. Petitions – The Board of Selectmen reserves the right to defer action or comment on any matter brought before the Board as part of the Citizens Petitions section of a meeting agenda.

At the Chairman's discretion, and in general to allow full and fair discussion of items previously placed on the agenda, the time of unannounced citizens petitions may be limited.

Matters brought before the Board relating to the administration of the Town shall be referred to the Town Manager for necessary or appropriate action in each individual case.

- B. Complaints – All complaints involving Town policies shall be acted upon by the Board when appropriate and, except in the most unusual cases, such action shall be preceded by a report and recommendation of the Town Manager who shall have been given ample opportunity and time in which to investigate and render a report.
- C. Further clarification of this section will be made in a later section.

Agenda for Special Meetings – Only matters set forth in the notice of special meetings shall be discussed and/or acted upon during such a meeting. **This provision may not be suspended.**

I.4.4. Miscellaneous

Public Records - State law holds to a broad definition of public records, but generally includes practically all information the Board and the Town staff produces or receives. Exceptions to this are spelled out specifically in the Freedom of Information Act. If a record is withheld, however, the burden is on the withholder to prove that the information it contains is covered by one of the following exceptions:

- A. Records related solely to the Board's internal personnel rules and practices (the Board must show, however, that withholding these records is necessary to the proper performances of its duties)
- B. Personnel and medical files or information.
- C. Any other material related to a specifically named individual that would constitute an unwarranted invasion of personal privacy if disclosed
- D. Certain memoranda or letters relating to policy positions that are being developed (not including reasonably completed factual studies or reports on which policy positions may be based).
- E. Investigatory materials that could prejudice effective law enforcement if released.

- F. Proposals and bids to enter into any contract or agreement (these are subject to disclosure, however, after they are opened publically or after the time for receipt of bids has expired).
- G. Appraisals of real property acquired or to be acquired until either a final agreement is entered into or lawsuits over the appraisal are completed.
- H. The names and address of anyone referred to in applications for licenses to carry or possess firearms or firearms identification cards. The names and addresses of people who sell or transfer firearms, rifles, shotguns, machines guns or ammunition are also exempt from the public records law.

If a Selectman is in doubt about whether a particular document is public, he/she should consult the Town Clerk, Town Counsel or the public records section of the Secretary of State's office, which has the authority to determine whether a record is public.

Town Employee Appointments – The Board of Selectmen may vote on confirmation of appointments of Town employees by the Town Manager to positions below the level of department head at the same meeting at which any such appointment may be proposed.

All other appointments shall be introduced at a regular meeting of the Board, but no action shall be taken until the next regular meeting of the Board.

Town Board / Committee Appointments – As provided in the Town Charter, the Board of Selectmen shall appoint a Zoning Board of Appeals, in addition to the Town Manager, Voting Registrars other than the Town Clerk, and the Town Accountant.

The Town Manger shall appoint, subject to the approval of the Board of Selectmen, all other officers, boards, committees and employees of the Town. Further clarification of this procedure will be dealt with in a later section.

Transfer from Reserve Fund – Copies of each request for transfer from the Reserve Fund submitted to the Finance Committee by the Town Manager shall be furnished to each member of the Board.

Changes in Town Organization – The Town Manager shall furnish the Board of Selectmen with proposals for any changes in Town organizations before they are put into effect. This is for the purpose of keeping the Board informed of matters which, although a responsibility of the Town Manager, inevitably comes to the attention of the Selectmen through other channels.

Conflict of Interest – In those cases in which a matter brought up for consideration by the Board of Selectmen conflicts with the personal pecuniary interests of any individual Selectman, it is the responsibility of that Selectman not only to abstain from voting on the matter, but also to refrain from participation in the discussion of it for the purpose of influencing the vote of the Board.

Participation in Town Meetings – On those articles of the Warrant for a Town Meeting upon which the Board of Selectman has taken a position, even though that position was decided only

by a single majority vote, individual Selectmen shall refrain from presenting arguments opposing the Board's position on the article.

However, a member who proposes to vote otherwise on an article may, as an individual citizen, go upon the floor of the Town Meeting and, upon recognition by the Moderator, speak from there.

It is also expected that the Town Manager will refrain from taking an opposing position to that of the majority of the Board. The Town Manager may, however, also address Town Meeting from the floor, presenting himself as an individual citizen.

Board Policy Guidelines – In the event that the Board of Selectmen chooses to adopt, eliminate or revise a written policy guideline, the procedure established at the beginning of this guidebook shall be followed. In addition, each policy guideline or revision to any guideline, shall be assigned a short title and the date on which any action was taken.

The Town Manager shall maintain an index of all Board policy guidelines as well as a file on all such guidelines. Copies of policy guidelines adopted by the Board of Selectmen shall also be placed on file with the Town Clerk and distributed to all appropriate staff and committees.

I.5. INTERNAL OPERATION – MEMBERS’ INTERACTION

The Board of Selectmen functions as a body in all policy decisions and all other matters as required by law or determined by vote of the Board in formal Session.

1. The Town Manager shall communicate to the Board of Selectmen, via memo on Friday, matters of interest to the Board and/or items pertaining to agenda subjects for the upcoming meeting.

Any individual member of the Board may also take this opportunity to communicate additional items by including memos and other supporting material within the Town Manager’s “packet.” Memos may be submitted to the Town Manager’s office via phone or writing no later than Friday noon.

2. Board members will keep each other informed of all investigations they are conducting or issues they are pursuing that are the concern of the entire Board.
3. Board members agree not to surprise each other by last minute agenda items about which others have no warning or knowledge except in the case of emergency items or those of a strictly routine nature which need action prior to the next schedule meeting.

Whenever possible, Board members who wish to take issue with another member’s conduct, behavior, or procedures will do so first privately with the member concerned or will notify him/her prior to first doing so at a public meeting.

4. When individual members make a request of the Manager for information of concern to the whole Board, the Manager is to report back to the whole board, not only to the member raising the question.

I.6. CITIZEN RELATIONS/CITIZEN PETITIONS AND PRESENTATIONS

The Board of Selectmen recognizes that it both represents and is accountable to all the citizens of the Town. It is the Board's policy to make every effort to strengthen communications with citizens. Measures will be instituted to increase citizen participation, encourage citizen input into governmental decisions and to keep the citizens informed for all actions contemplated or taken by the Board of Selectmen, the Town Meeting, and the Town Manager which will affect them. To this end, the following steps will be taken:

1. During all regular meetings, time will be set aside for "citizen petitions and presentations." Citizens may bring up any matter or question of interest without prior notice given to the Board.

However, as previously stated under "Rules and Procedures," the Chairman may, at his/her discretion and when the situation is deemed warranted, limit the time of unannounced citizen petitions. In general, this decision would be made in order to allow full and fair discussion of items already placed on the agenda.

Citizen participation at Special Meetings and Work Sessions shall be at the discretion of the Chairman, with the majority of the Board concurring.

2. Prior to a regular meeting, and individual citizen or group of citizens may request a formal appearance before the Board by contacting a member of the Board or the Town Manager's office, stating precisely the reason for the appearance, the action desired, and naming a spokesperson for the group.

Participants shall be given the opportunity to make a presentation, within reasonable time limits, through the spokesperson and to express opinions and ask for pertinent information. Background data shall be prepared by the concerned boards, departments, etc., prior to the meeting insofar as possible, so that all parties involved can have a reasonable understanding of the subject matter.

3. Persons who will be affected by proposed Board discussion and/or action will be notified by the Town Manager of the date and time of meeting at which the matter will be discussed or acted upon by the Board.
4. At the discretion of the Chairman or upon request of any member of the Board, the public will be allowed to ask questions or make statements relative to the matter under consideration.
5. The Board reserves the right to defer responses to all questions and complaints brought under Citizens Petitions until a later date for the purpose of gathering additional information. Whenever possible, the Board shall prepare a response for the next regular meeting, if the matter cannot be cleared up earlier.
6. Citizen questions and complaints brought to individual Selectmen outside of a regular meeting should be answered promptly. Questions and concerns relating solely to the

Office of Selectmen shall be answered promptly by the Chairman or, at the direction of the Chairman, the Town Manager. Those needing prompt attention by the entire Board should be referred to the Chairman for inclusion on the next meeting agenda.

7. All other questions and all complaints are to be referred to the Town Manager's office for action or recommendations. In those instances where common sense dictates that the Board member receiving the complaint deal directly with a department head, the Board member should inform the Town Manager of the issue and its disposition. A Selectman dealing directly with Town employees without the Town Manager's knowledge is generally discouraged.

I.7. SELECTMEN RESIDENT COMPLAINT RESOLUTION POLICY

The intent of this policy is to ensure quality service and timely resolutions to conflicts for all residents of Andover.

Internal Department Conflict Procedure

1. Department/Division Heads are responsible for the training of their staffs to ensure that all residents are given consistent, responsible and professional service and that these services abide by Federal, State and local laws and regulations.
2. Department/Division Heads are responsible for remedying conflicts that occur in their offices with residents of the Town.
3. If a conflict can not be resolved at the Department/Division Head level, then a resident shall bring the conflict to the attention of the Town Manager. If the Town manager deems that the Department/Division Head has not been noticed of the conflict, then the Town Manager or a designee shall notify and refer the conflict to the Department/Division Head directly. The Department/Division Head will report back to the Town Manager within 24 hours the result of the resolution.
4. If the problem is not resolved at the Department/Division Head level, then the Town Manager shall intercede and mediate the conflict to a resolution.

Selectmen Customer Conflict Procedure

1. If a resident appears before the Board of Selectmen with a customer complaint, then the Chairman of the Board of Selectmen will inquire whether that person has followed the Board of Selectmen's Customer Complaint Resolution Policy.

The Chairman will encourage the person to follow the above Board of Selectmen's policy first. The Chairman will inform the person that if he/she is not satisfied with the resolution then they may request, in writing, to appear on a future Board of Selectmen agenda under "Citizen Petitions and Presentations". Such requests should contain the following information to help expedite a resolution to the complaint:

- Name, address and telephone number, and/or e-mail address
 - A brief description of the problem/conflict.
 - A brief description of what has already occurred in the resolution process.

These procedures, for clarification and reference, follow:

12/9/86

I.8.3 STREET ACCEPTANCE - GUIDELINES AND PROCEDURES (Town Meeting 2008)

The following procedures are to be followed by those developers wishing to submit streets to the Town for acceptance at Town Meeting. It is important that developers, attorneys, and engineers review, understand and follow these procedures in order to ensure an orderly and correct process and eliminate delays to all parties.

Final approval of a definitive subdivision plan by the Planning Board does not constitute the laying out or acceptance by the Town of the streets shown on the plan, nor does final approval automatically entitle the streets to acceptance. The acceptance of a street within a subdivision as a Town way is the financial and legal responsibility of the developer.

There are a number of legal documents and notices pertaining to street acceptance that are to be filed with the Town for review and approval prior to the Board of Selectmen's Layout Meeting. In addition all physical (construction) work on the street must have been completed and inspected by the Department of Public Works prior to the Selectmen's Layout Meeting.

The developer must submit the following documents and materials:

1. Submit directly to Town Counsel (Carol McGravey, Esq.):

- a. The street deed - An instrument suitable for recording running to the "Inhabitants of the Town of Andover". The street deed shall provide a running description of the street by courses and distances, including bounds and markers, or shall provide such other description acceptable to Town counsel and the Department of Public Works.
- b. Instruments suitable for recording running to the "Inhabitants of the Town of Andover" for all easements which are a part of the street (drainage, water, sewer). These easements must be signed by all parties having any interest or rights (other than the Town) in such easements and all easements and restrictions to be conveyed to the town as shown on the subdivision plan.
- c. A Quitclaim Deed for open space parcels (if applicable) in form acceptable to the Andover

Conservation Commission. (Please contact the Commission for proper form).

- d. Certificate of Compliance showing that all conditions imposed upon the street by the Conservation Commission have been satisfied. (Please contact the Commission for proper form).
- e. Certificate(s) signed by the developer's attorney certifying that all necessary parties have signed all street deeds, easement instruments, and open space deeds. A certification signed by an attorney licensed to practice law in the Commonwealth of Massachusetts as follows:

“With regard to the proposed subdivision known as _____, the law firm of _____ and I hereby certify to the Town of Andover that with the conveyance to the Town of Andover of the following documents listed below and enclosed herewith, the Town of Andover shall have clear, record and marketable title, free of all liens and encumbrances to the:

- (1) fee in the street known as _____; and
- (2) the fee in all open space parcels to be conveyed to the Town as shown on the subdivision plan; and
- (3) all easements and restrictions to be conveyed to the Town as shown on the subdivision plan.

The documents are: _____”

- f. Names and Addresses of each property owner and mortgagee having rights or interests in the streets, easements, and open space, and the names and addresses of each abutter thereto, along with a Request for a Public Hearing by the Board of Selectmen for Street Acceptance pursuant to Massachusetts General Laws, Chapter 82, Section 22.
- g. Certificate of Notice signed by the developer's attorney that all property owners, mortgagees, and abutters have been notified of a Public hearing pursuant to the provisions of Massachusetts General Laws, Chapter 82, Section 22 with a return to the Board not less than seven (7) days before the public hearing, said notice to be in the following form:

"Notice is hereby given that the Board of Selectmen of the Town of Andover will hold a public hearing on ____ (date) ____ in the ____ (location) ____ on the matter of the layout of ____ (name of street) ____ as a public way."

2. Submit directly to the Department of Public Works (Brian Moore, P.E.):

- a. Two (2) Mylar plan copies and two (2) paper copies showing the street(s) to be accepted. This plan shall be entitled "Street Acceptance Plan" and shall show the street(s) and all appurtenant easements by courses, distances, and bounds. (Contact the Public Works Department for details).
- b. As-built utility plan showing all information required under Section VII.W. of the Subdivision Rules and Regulations. (Contact the Public Works Department for details).
- c. Copies of street deed(s), quitclaim deeds, and easement instruments as provided to Town Counsel.

3. Submit directly to the Planning Department (Jacki Byerley):

- a. Certification signed by the developer's attorney that all documents, notices, and plans required under numbers 1. and 2. above have been submitted to the appropriate parties. This certification shall include the date on which the materials were delivered.

SPECIAL REQUIREMENTS:

1. For streets within a subdivision, title to which or any portion of which has been registered under Massachusetts General Laws, Chapter 185 by the Land Court, the developer shall submit an easement reading as follows:

"An easement running to the Inhabitants of the Town of Andover for all purposes of a public way or street including the right to install, repair, maintain, alter, and operate sanitary sewerage, drainage, water lines and other appurtenant utilities in, into, upon, over, or across said land as shown on Land Court Plan No. _____ (sheets _____) filed in the Essex County North District Land Registration Office in Land Court. Book No. ____, Page _____. All of said boundaries are determined by the Court to be located as shown on Subdivision Plan No. ____, drawn by _____, dated _____, as modified and approved by the Court, filed in the Essex County North District Land Registration Office, a copy of which is filed with Certificate of Title No. _____."

2. All fees and taxes owed to the Town including all property taxes owed to the town for open space lots, if any, must be paid in full before the streets will be recommended for acceptance. A municipal lien certificate for the property must be submitted by the applicant..
3. Within thirty (30) days of Town Meeting acceptance of the street(s) the Planning Department will file the appropriate deeds and instruments at the Registry of Deeds. The developer is responsible for the costs associated with recording. The Planning Department will contact the developer to make arrangements for checks and payments. All checks and payments shall be delivered to the Planning Department prior to the Selectmen's Layout Meeting.

IMPORTANT NOTICE:

The developer will be given opportunity to correct or make any necessary changes to legal documents and notices after review by Town Counsel and the Town Engineer. A date will be given by which all revised documents must be returned for final review, after which no new submissions may be made.

The Board of Selectmen will hold a hearing to consider "laying out" those streets that are scheduled to be voted on at Town Meeting. The developer will be notified in advance of the date of the Layout Meeting. During the layout hearing reports and recommendations will be made by the Public Works Department and the Planning Department with respect to the completion of a street (construction and documents). A negative recommendation from either the Public Works

Department or the Planning Department means that the Selectmen will not vote to lay out the street, and consequently the street cannot be voted on at Town Meeting.

It is incumbent upon the developer to ensure that all performance guarantees (bonds) are valid and in effect through the date of Town Meeting, and if not must request an extension of time from the Planning Board.

I.9. EMPLOYEES OF THE BOARD

The Board of Selectmen shall appoint a Town Manager, as provided in Section 6 of the Town Charter, who may thereafter be removed as provided in Section 8.

I.9.3. BOARD OF REGISTRARS

Every city and town must have a Board of Registrars or Election Commission whose responsibilities include registering voters, making local listings of residents, certifying nomination papers and petitions, processing absent voter applications, and administering election recounts. The following describes the Board of Registrars as it applies to the Town of Andover – how the members are appointed, how the Board is structured, how it functions, and what qualifications apply to the individual members.

Board of Registrars with Town Clerk as Member (Chapter 51, § 15 MGL)

The Board of Registrars in the Town of Andover is a four member Board of which one member is the Town Clerk. The other three members are appointed by the Board of Selectmen from lists submitted by the town committees of the two leading political parties (Democrats and Republicans). If no list is submitted within 45 days after the party chairman is notified by the Selectmen by certified mail, and appointments are made by the Selectmen without reference to the lists.

Typically, one member is appointed (or reappointed) each February or March for a three-year term to begin April 1. The Town Clerk becomes a member of the Board automatically as he/she is sworn in to that position.

Chapter 51, § 18 and 19 – The Board of Registrars must always contain representatives of the two leading political parties (Democrats and Republicans) and no more than two members of each. The party enrollment of the Town Clerk affects the membership of the Board. If the appointment of the clerk would cause more than two members to be from the same party, the appointed member of the registrars with the shortest term left to serve and enrolled in the same party as the clerk would be removed by the Selectmen (after written notice and hearing) and a new member would be appointed from a different party than that of the clerk.

The General Laws specifically outline qualifications for Registrars and enumerate other offices they may or may not hold. In addition, there are positions which registrars should avoid holding due to possible conflict of interest. Registrars must meet the following qualifications:

Qualifications:

- 51 § 25 - Must be a registered voter in the Town of Andover.
- 51 § 25 - Must hold no other public office by public election or direct appointment by the Selectmen in the Town in which he/she is registrar.
- 51 § 25 - Must hold no public office other than justice of the peace, notary public, or militia officer by public election or appointment by the federal government or by the Commonwealth.
- 51 § 25 - If a registrar accepts any such appointed or elected office, he/she may no longer serve as a registrar and the office is vacated. A registrar may run for and hold office as a member of a home rule charter commission or town meeting member.
- 51 § 23 - Must subscribe an oath to faithfully perform the duties of registrar.

Registrars should not serve as election workers. However, if a registrar has served as an election worker, he/she should disqualify him/herself should a recount occur. It should be kept in mind that in such a case the Board of Selectmen should temporarily fill any vacancy in the Board so as to maintain the representation of political parties for the recount. It is the sound practice to avoid potential conflicts of interest such as those which might occur if a person were both an election officer and a registrar.

Vacancies:

Vacancies on the Board of Registrars which occur between the regularly appointed terms may be filled in two ways:

51 § 15 - An appointment may be made in the same manner as the original appointment, but only for the remainder of the vacated original term. Vacancies in the Town of Andover are filled by the Board of Selectmen from a list of three voters from Andover submitted by the town committee of the political party from which position is to be filled.

51 § 20 - A temporary appointment to fill a position for a limited time may be made by the Board of Selectmen upon written request of a majority of the Board of Registrars. This type of appointment may be made in cases where the vacancy occurs because of the registrar's absence from the Town of Andover, retirement, death, or inability to perform his/her duties.

Assistant Registrars and Absent Registration Officer:

51 § 22 - Registrars may appoint assistant registrars for one-year terms which begin on April 1, to assist the registrars as they deem best. The assistant registrars must equally represent the two leading parties. Assistant registrars are subject to all of the same qualifications as registrars.

51 § 22 - Registrars may appoint temporary assistant registrars from time to time, to assist in street listing and in the registration of voters. They must equally represent the two leading political parties.

51 § 22A - Registrars may appoint absent-registration officers to assist them in registering physically disabled voters. They must equally represent the two leading parties.

51 § 24 - Registrars may have their duties performed by the assistant registrars under their direction.

51 § 33 - All acts of a single registrar, assistant registrar, or absent-registration officer are subject to acceptance of the full Board of Registrars.

51 § 42E - Registrars must appoint an assistant registrar to be available to each high school to register eligible students and employees of the high school. An assistant high school registrar may register students from any city or town. Special "out of town" voter registration forms must be used to register students who reside outside the registrar's city or town. Names of three employees of each school are submitted to the registrars by the principal as possible candidates.

I.9.4. ZONING BOARD OF APPEALS

The Andover Zoning Board of Appeals consists of five (5) regular members and four (4) associate members, from whose membership a Chairman and Clerk are chosen. Other officers may be chosen as the Board of Appeals deems necessary. Meetings/hearings are held on the first Thursday evening of the month, with deliberation meetings the Saturday immediately following.

To insure consideration of all citizens interested in serving on the Zoning Board, impending or actual vacancies on the ZBA will be announced in the local papers, and public interviews will be held by the Board of Selectmen.

In general, the interviews will take place at ten-minute intervals prior to a regular meeting of the Board of Selectmen.

Those persons not receiving an appointment after the first interview may request consideration for future openings, but will not be required to come before the Board for further interviews.

Public consideration and announcement of the appointment will generally take place at the first regular meeting of the Board of Selectmen following the date of the interviews.

It is highly desirable that the Zoning Board of Appeals should include persons with various specialties, including: engineering background, legal training and experience, environmental and/or conservationist experience, and architectural and/or design training.

Procedures for the Zoning Board of Appeals, revised in 1981 and under which the members operate follow.

II.1. PURPOSE AND SCOPE

The purpose of this policy is to set forth guidelines for the assignment, use and identification of Town-owned municipal vehicles and for the reimbursement and use of personal vehicles for Town business.

II.2. APPLICABILITY

The provisions of this policy apply to all employees of the Town of Andover. Employees whose employment is regulated by a collective bargaining agreement are subject to those provisions of this policy not specifically regulated by agreement.

II.3. CATEGORIES OF MUNICIPAL VEHICLE USE

Work Use Only – Vehicle is used at work only and remains in town at the end of the employee's work shift (applies to personnel whose duties require the use of a Town vehicle during their working shift).

Work & Commuting Use – Vehicle is used at work and for commuting back and forth to the employee's primary residence (applies to certain personnel whose duties require them to be on-call to regularly respond to work during nights and weekends).

24-Hour Use – Vehicle may be used at all times of the day for professional and personal use due to the 24/7 nature of the employee's duties (applies to the Town Manager and certain public safety personnel).

II.4. VEHICLE ASSIGNMENT & AUTHORIZATION

1. General Assignment – The general assignment of municipal vehicles to Town employees shall be made based on the specific duties of the position as defined in the position's approved job description. Department heads who have municipal vehicles available to assist in carrying out specific departmental functions may assign such vehicles in a manner consistent with those responsibilities.

Additionally, under special circumstances (such as when it is anticipated that employees will need to be called back to work) a department head may authorize certain employees to take home a municipal vehicle for a night or weekend; or longer periods with the approval of the Town Manager.

2. Commuting Use – The assignment of vehicles for “commuting” use may only be authorized by the Town Manager after receipt of a written request and justification from a department head. Authorization for commuting use will be considered for employees who require a vehicle for the necessary performance of their job responsibilities. This category of use typically applies to personnel whose duties require them to be on-call to respond to work during nights and weekends on a regular basis. See Appendix A.
3. 24-Hour Use – The assignment of vehicles for “24-hour” use may only be authorized by the Town Manager after receipt of a written request and justification from a department head. Authorization for 24 hour use will be considered for employees who require a vehicle for the necessary performance of their job responsibilities. This category of use typically applies to certain public safety personnel who are required to rapidly respond to emergencies 24 hours a day, whether they are on duty or off, and regardless of their location. See Appendix A.

If an employee is transporting non-Town personnel in a municipal vehicle and is called to an emergency, then the employee will take all reasonable actions necessary to ensure the safety of the passenger for the duration of the emergency.

4. Change of Authorization – The Town Manager may rescind and/or change an existing vehicle assignment and use authorization whenever an applicable position becomes vacant; the authorized use is mis-used; an employee is on leave (paid or unpaid) for longer than thirty (30) days or when the position’s duties are changed to a significant degree to warrant such reassignment. The Town Manager may also seek to change or modify the existing authorized use of a municipal vehicle for any incumbent union employee during collective bargaining. For example, if a position’s on-call response requirement is infrequent, the Town Manager may elect to authorize the employee to have work-only use of a municipal vehicle.

II.5. GENERAL RULES GOVERNING MUNICIPAL VEHICLE USE

1. Municipal vehicles may only be used for municipal business and, if applicable, authorized commuting purposes and other approved uses. If commuting use is authorized, then it is limited to travel to and from the employee’s residence and place of work. The vehicle should be driven over the most direct route taking into account road and traffic conditions. Other approved uses shall be authorized by the department head.
2. Municipal vehicles other than those designated for 24-hour use are to be used to transport individuals who are engaged in municipal business. Passengers shall be limited to Town employees and individuals who are directly associated with Town work activity.
3. Municipal vehicles should contain only those items for which the vehicle is designed. The Town shall not be liable for the loss or damage of any personal property transported in the municipal vehicle.
4. Employees are expected to keep municipal vehicles clean and to report any malfunction or damage to their supervisors immediately.

5. Employees are expected to park such vehicles in safe, legal locations.
6. Employees and passengers must wear seatbelts in municipal vehicles so equipped during operation of the vehicle.
7. Employees must turn the municipal vehicle ignition off, remove keys and lock the municipal vehicle when unattended unless the vehicle is being used in the performance of its duties.
8. Employees shall not operate municipal vehicles under the influence of alcohol, illegal drugs, or other substances which may interfere with effective and safe operation.
9. Employees who operate municipal vehicles must have a valid motor vehicle license issued by the state of their current residence and shall be required to provide annual proof of valid motor vehicle license.
10. Employees who incur parking or other fines in municipal vehicles will be personally responsible for payment of such fines.
11. Employees who are issued citations for any offense while using a municipal vehicle must notify their department head immediately when practicable but in no case later than 24 hours.
12. Any damage to the vehicle must be reported to the department head immediately when practicable but in no case later than 24 hours.
13. An employee who is assigned a municipal vehicle, or is using their personal vehicle for municipal business and who is arrested for or charged with a motor vehicle offense for which the punishment includes suspension or revocation of the motor vehicle license, whether in a municipal or personal vehicle, must notify his or her supervisor immediately when practicable, but in no case later than 24 hours. Suspension or revocation of a motor vehicle license will be grounds for loss of municipal vehicle privileges and/or other disciplinary action.
14. The Town reserves the right to withdraw the privilege of using a municipal vehicle based on the employee's driving record.
15. Smoking is prohibited in all municipal vehicles.
16. During a leave (paid or unpaid) for longer than thirty (30) days, the employee will return the vehicle to their department.

II.6. IDENTIFICATION AND PROCUREMENT OF MUNICIPAL VEHICLES

1. All municipal vehicles, except the Town Manager's and certain police vehicles, shall be conspicuously marked as a Town of Andover vehicle with the name of the department on both sides of the vehicle and shall have municipal license plates. The Town Manager may grant special exception to this rule if sufficient written justification is presented by the department head.

2. All municipal vehicles shall be purchased in accordance with applicable public procurement laws to ensure competitiveness and best price. The Town Manager shall pre-approve all purchases of municipal vehicles.
3. The Town of Andover Board of Selectmen, in an effort to achieve long range energy efficiency, hereby adopts the Andover Fuel Efficient Vehicle Policy which will result in reduced fuel consumption, energy costs and carbon emissions. Under the policy, all Town and School departments and divisions shall purchase Fuel Efficient Vehicles when they are available and financially viable and meet the operational needs of the Town.

This policy applies to all Town and School divisions and departments of the Town of Andover.

As of April 1, 2010, Fuel Efficient Vehicles are defined by the US Environmental Protection Agency as having combined city and highway MPG no less than the following:

- 2 wheel drive car: 29 MPG
- 4 wheel drive car: 24 MPG
- 2 wheel drive small pick-up truck: 20 MPG
- 4 wheel drive small pick-up truck: 18 MPG
- 2 wheel drive standard pick-up truck: 17 MPG
- 4 wheel drive standard pick-up truck: 16 MPG

The Plant and Facilities Department will maintain a vehicle inventory list for non-exempt vehicles, updated on an annual basis, and shall develop a plan for replacing these vehicles with vehicles that meet the minimum combined MPG requirements of the Green Communities Program.

The EPA maintains a database on vehicle fuel efficiency that is updated occasionally throughout the year, as new models are released. As increasing numbers of fuel efficient vehicle models are released, the minimum combined MPG requirements of the Green Communities Program may be revised. This policy may be updated from time to time to reflect any changes to the MPG requirements. The latest fuel efficiency MPG ratings are available through Massachusetts Department of Energy Resources Green Communities Program.

The Town of Andover, under this policy, requires that each department develop a five year plan to replace non-exempt vehicles with fuel efficient vehicles as these vehicles are removed from service. The annual Capital Budget is the process that will be used to replace vehicles, and set goals for when the existing fleet will be replaced.

All Town and School vehicle purchases must be approved by the Plant and Facilities Director to ensure compliance with this policy. The policy will be enforced by the Town Manager with the assistance of the Plant and Facilities Director.

2. Monthly Travel Allowance – The Town Manager may authorize a monthly travel allowance, or a combination of a monthly travel allowance and a specified mileage rate, to certain employees as compensation for the “regular” use of their personal vehicle for Town business.
3. The mileage travel reimbursement and/or monthly travel allowance are intended to cover the costs of gasoline, repairs, insurance and general wear and tear on the employee's personal automobile.
4. The Town will also reimburse an employee's tolls and reasonable parking expenses for authorized work related travel outside of Andover, when receipts are provided. Employees will not be reimbursed for tolls which would be paid by the employee during their normal commute to work.
5. Town employees who use their own vehicles for work-related travel must have the following Massachusetts minimum levels of automobile insurance coverages:
 - Bodily Injury: \$20,000/\$40,000
 - Property Damage: \$5,000

However, it is recommended that the Town employees have the following Massachusetts levels of automobile insurance coverages:

- Bodily Injury: \$100,000/\$300,000
 - Property Damage: \$50,000
6. An employee who uses their personal automobile to travel from home to a temporary assignment, rather than their regularly assigned work location, shall be allowed personal automobile expenses between home and the temporary assignment and the regular work location, whichever is less. This does not apply to detail or overtime assignments.
 7. In the event that an employee's personal vehicle is damaged during authorized work-related travel, and the damage is not due to the negligence of the employee, the Town may reimburse the employee, upon receipt of a police report and verification of payment of a deductible (comprehensive or collision) to cover part of the cost of repair, up to a maximum of \$500 or the amount of the deductible, whichever is less, per occurrence.

II.9. SPECIAL CIRCUMSTANCES

This policy is intended to provide a basic framework governing the use of personal and municipal vehicles in the Town of Andover, and, as such, cannot contain procedures governing every situation that might arise. Department heads seeking clarification of or exemption from the provisions of this policy should contact the Town Manager who will provide such clarification and may authorize exceptions to the policy under mitigating circumstances.

II.10. SANCTIONS

IV.3. OPEN SPACE

The Board of Selectmen feels that the Goals and Objectives as articulated in the “Report of the Recreation and Open Space Study Committee” form a good foundation upon which future Town decisions in this area can be based. As stated, these goals are a reaffirmation of a 1976 report and remain valid.

These **Goals and Objectives** follow:

Listed below and briefly described are the community’s aspirations for the preservation and utilization of its open space resources. These goals have not changed substantially since the preparation in 1975 and 1976 of the Recreation and Open Space Committee Report, which was intended to be a ten-year action program.

Therefore, the articulation of these Goals and Objectives started with the list of Goals on Page 17 of the 1976 “Report of the Recreation and Open Space Study Committee”. All of those involved in the preparation of this current plan reviewed these Goals and contributed suggestions.

GOAL #1 - PRESERVE ECOLOGICAL BALANCE

As the rapid urbanization of Andover proceeds, it is vital to its total well-being that the natural systems upon which all its citizens depend are not needlessly abused. This means protecting water supplies, both local and regional, guiding development away from sensitive areas like wetlands, floodplains and areas of poor soil capability, preventing degradation because of pollution and erosion, and preserving outstanding natural features, particularly water bodies, as well as endangered habitats and sties of historical or archeological significance.

OBJECTIVES

- a. Protect town water supplies by acquiring all of the remaining undeveloped Fish Brook and Haggetts Pond lowlands;
- b. Protect the remainder of the water supply watershed from harmful development by means of acquisition or special constraints on use;
- c. Identify and protect areas critically significant to the groundwater resources of the Town and its neighbors, which have present or potential or stand-by water supply capability;
- d. Continue strict enforcement of the Wetlands Protection Act;
- e. Refine and strictly enforce the erosion and sedimentation controls in the Town’s subdivision regulations;
- f. Define more specifically the means of protection of open spaces and natural features in the Town’s zoning and subdivision regulations. Review those regulations with the objectives of increasing environmental protection and decreasing the adverse environmental impacts of development;

- g. Develop a method of preserving adequate open space, wetlands and other outstanding natural features in and around industrial areas, for instance, a patch of laurel or a stand of native trees;
- h. Adopt more specific guidelines for the safe and clean discharge of storm drainage on the part of the Town; for example measures to prevent siltation and petroleum products pollution of streams and wetlands;
- i. Minimize the use of pesticides and herbicides;
- j. Explore the use of conservation land trusts and other land conservation techniques to preserve open space while guiding appropriate development;
- k. Encourage the acquisition of Conservation Easements by the Town and private open space groups.

GOAL #2 - ENCOURAGE OPEN SPACE ENJOYMENT AND UTILIZATION

Open space preservation should guide the Town's programs. The Town needs to expand the opportunities for outdoor recreation and enjoyment so that those opportunities are available to all citizens. Open spaces and recreation programs should be provided for all ages and groups.

OBJECTIVES

- a. Publicize this plan. Prepare and distribute more informational material relative to available public open space and active recreational opportunities and programs, such as brochures;
- b. Continue to implement long range plans for the Andover Recreation Park;
- c. Attempt to link open space areas by means of trails. Continue to try to establish a Town-wide trail network;
- d. Encourage appropriate open space uses while discouraging abuse. This means attempting to balance user needs so that no group is shut out and open space areas are not preempted unfairly;
- e. Support and encourage groups who use public open spaces appropriately and those who will voluntarily improve and enhance such areas such as scout troops, garden clubs and school children.

GOAL #3 - ENHANCE "THE TOWN BEAUTIFUL"

Andover's attractiveness and desirability as a place to live and work depend in large part on its "open" qualities. Every effort needs to be made to ensure green areas at critical locations and to guide the quality of development insofar as possible for visual enhancement.

OBJECTIVES

- a. Identify, protect and maintain by available means outstanding natural features, endangered habitats, archeologically important sites and green and open spaces at critical locations, such as traffic islands at intersections;

- b. Improve methods which the Planning Board can effectively use to design development within subdivisions so as to preserve not only natural features, such as wetlands and scenic areas but usable recreational open space;
- c. Initiate and/or support open space maintenance programs, such as beautification, through federal, state or local efforts.

GOAL #4 - PROTECT RIVER CORRIDORS

All of the above goals are well served by protection of and access to river corridors throughout the Town: not only the Shawsheen and Merrimack but especially Fish Brook, which is a substantial contributor to the Town's water supply and the Skug River, (part of the Ipswich River watershed), which contributes to the water supplies of downstream communities.

OBJECTIVES

- a. Acquire or protect by easement wherever possible the banks of the major rivers, streams and ponds of the Town;
- b. Establish and maintain trails along rivers where possible;
- c. Plan for utilization of accessible river banks. Boat launching facilities could be developed. Water sports programs could be devised.

GOAL #5 - BE RESPONSIBLE IN REGIONAL RELATIONSHIPS

The tendency to concentrate effort and attention on purely local concerns needs to be balanced. What we do in Andover may affect not only our immediate neighbors in the Merrimack Valley but potential open space users from the more densely populated Metropolitan Boston area. The Town needs to keep informed about regional problems and plans, and to work cooperatively with regional and state agencies.

OBJECTIVES

- a. Make Andover's representative on the Merrimack Valley Planning Commission aware of Andover's open space and recreation assets as well as its goals and objectives;
- b. Make Andover aware of regional open space recreation goals through its participation on or involvement in other regional environmental groups;
- c. Communicate Andover's open space assets regionally as well as locally.

GOAL #6 - MAKE GOOD USE OF SCARCE RESOURCES

This means better interagency planning and coordination as well as cooperation with other holders of open space available for public use such as AVIS, the Department of Environmental Management of the Commonwealth and the Trustees of Reservations. The working relationships between these groups should continue to be cultivated. Joint planning for better protection and utilization of town resources should be developed.

OBJECTIVES

- a. Continue to facilitate the sharing of open space and recreation areas among the different agencies of the Town;
- b. Maintain and improve working relationships of Town agencies with other holders and managers of open space and active recreation facilities. Included are AVIS, Trustees of Reservations, State Department of Environmental Management, Phillips Academy, YMCA, the regional vocational school and local schools.

GOAL #7 - PROVIDE BETTER MANAGEMENT OF EXISTING AREAS

In this time of shrinking public financial support, funds for the care and maintenance are amongst the first items to be excised from the budget. Management strategies must be devised to close the gap. Otherwise increasing urbanization spells deterioration of existing facilities and open space qualities because of overuse, vandalism, litter and other abuses. Andover should protect its already considerable investment in open space.

OBJECTIVES

- a. Improve the maintenance program for the Town's active recreation areas such as playfields and playgrounds;
- b. Establish a maintenance fund for limited care of reservations. Support appropriate maintenance funding for Community Services facilities;
- c. Provide proper signs to identify conservation – recreation areas and to control uses;
- d. Continue efforts to develop better management strategies using volunteers wherever possible;
- e. Be alert to abuses such as litter and vandalism and employ appropriate enforcement techniques;
- f. Balance uses so as to provide maximum enjoyment and employment of open spaces;
- g. Try to make users of the Town's open space aware of their responsibility for its proper management.

GOAL #8 - BE FAIR

This goal means trying to achieve spatial balance of open space and recreational opportunities throughout the Town and means ensuring that all age and social groups are served. It means using open space acquisition to shape, provide context for and serve the demands development is bringing rather than to block development.

OBJECTIVES

- a. Seek to acquire open space in neighborhoods where it is lacking or limited;
- b. Identify deficiencies in outdoor recreation opportunities and develop strategies to correct them;
- c. Try to provide opportunities for the enjoyment of open space by all groups and ages, including elderly and handicapped citizens.

GOAL #9 - PRESERVE FARMING

The Town should try to maintain farming at least at its current level and to encourage the preservation and agricultural use of suitable open land.

OBJECTIVES

- a. Encourage the few remaining active farmers to apply for Agricultural Preservation Restrictions, and to take advantage of other State, federal and private programs designed to preserve Massachusetts agriculture;
- b. Consider the establishment of a Farmers Market;
- c. Continue to encourage agricultural use of public land where appropriate and not incompatible with other legitimate uses.

VII. HOUSING/TAXES

VII.1. Fair Housing Plan

The purpose of the Town of Andover Fair Housing Plan is to achieve the aims of Executive Order No. 227, Governor's Code of Fair Practice; the Massachusetts General Laws Chapter 151B, Administrative Bulletin 75-14; Federal Executive Order No. 11063, EEO in Housing and

the Federal Civil Rights Act of 1968, Title VIII Fair Housing as amended by the Housing and Community Development Act of 1974, to the extent that these prohibit discrimination in housing on the grounds of race, color, national origin, ancestry, age, religion, welfare status, children, marital status, handicapped, blindness or sex.

This plan utilizes the Fair Housing requirements for the Commonwealth of Massachusetts and its political subdivisions. The requirements shall be used to define and determine the Fair Housing obligations of the Town of Andover. This plan shall also be used by the Massachusetts Commission Against Discrimination (MCAD) in evaluating the fair housing performance of the Town of Andover.

The Town of Andover will address the Fair Housing issue in order to fulfill its obligations under the state and federal equal opportunity standards. The Town of Andover will conduct a comprehensive community profile which will identify over-concentration or under-representation of minorities and female headed households.

The Town of Andover shall then undertake an analysis of its community profile and shall make a careful evaluation of its programs and policies to determine if there exists a disparate impact of housing access. If after this analysis the Town determines that over-concentration or under-representation does exist, then the Town of Andover shall develop a Fair Housing Plan which provides a statement of goal, objective and policies designed to eliminate barriers to equal access and choice.

The Town of Andover shall create a Fair Housing Committee whose objectives and purposes are those set forth in the aims of Executive Order No. 227, Governor's Code of Fair Practice; Massachusetts General Laws, Chapter 151B; Administrative 75-14, Federal Executive Order No. 1063 EEO in Housing and the Federal Civil Rights Act of 1968, Title VIII – Fair Housing as amended by the Housing and Community Development Act of 1974.

The Fair Housing Committee will facilitate the coordination of the factors that affect housing and equal access to housing.

VII.2. Regional Housing Opportunity Partnership

In December of 1984, the communities of Andover, North Andover, Lawrence and Methuen, assisted by the Merrimack Valley Regional Planning Commission, formed the Regional Housing Fair Share Plan Committee to facilitate housing opportunities throughout the area.

In order to continue the work of a regional housing opportunity partnership and to execute a Regional Housing Compact to address the area's housing needs, especially those of the central city, the four municipalities continue their support of a Strategic Planning Program coordinated by the regional planning commission.

The purpose of the housing partnership is threefold:

1. To function as a regional forum; and
2. To serve as a link between local entities and state/federal agencies; and
3. To function as a coordination mechanism between communities and housing agencies.

The goal is twofold:

1. To provide housing for those of modest income; and
2. To insure that those with the greatest housing needs are allowed fair opportunities on a regional basis to obtain affordable housing.

REAFFIRMATION OF VOTE

The Board of Selectmen reaffirms its support of the Regional Housing Fair Share Plan Commission by supporting the 1990 Regional Housing Compact. (On August 16, 1990, the Compact was formally signed by the Chief Elected Official or their representative of each of the four communities).

VII.3. Tax Classification

Tax classification was first approved by the Board in 1984. It was not the original intention for classification to become a permanent fixture; but, nevertheless, has been approved by the Board during every year since that time, though not usually unanimously.

Annual public hearings will be held, however, in order to review the impact of the current tax classification, to determine whether a change to the present structure is in order, and to allow for public input.

VIII. RECREATION

VIII.1. Haggetts Pond Usage

Upon recommendation of the Board of Health, the Selectman have voted to continue the practice of allowing rowboats, only, on Haggetts Pond, with permit and fishing license, and to not allow canoes, sailboats, windsurfers and/or any other waterborne craft.

It was further suggested to put signs around Haggetts Pond indicating this restriction.

(8/28/85)

VIII.2. Haggetts Pond Winter Use

In the interest of public safety, the Board of Selectmen hereby prohibits “ice fishing”, “ice skating”, or any other related ice activities on Haggetts Pond during the winter.

(9/14/87)

VIII.3. Poms Pond Resident Sticker Program and User Policy

The following policies have been adopted for the convenience and benefits of the residents of the Town of Andover:

1. Residents may purchase a seasonal beach sticker or pay the daily rate before entering the Pond area. VIII.4. Non-Motorized Forms of Transportation

The Town of Andover, through its Board of Selectmen, declares it to be the policy of the Town to promote, encourage and support pedestrian, bicycle and other non-motorized forms of transportation and recreation. In furtherance of this policy, the Town staff shall take actions wherever possible to promote the growth, accessibility and safe use of such alternative forms of transportation and recreation. Specifically, the Town supports traffic calming efforts, bicycle and pedestrian friendly enhancements and the continued development of community paths, trails and linkages.

IX. TOWN MEETING

IX.1. Ordering of Warrant Articles

Following consideration of “boiler plate” articles and the Town Budget at Town Meeting, the Board of Selectmen supports the general random ordering of Warrant Articles to eliminate the possibility of deliberate article placement to affect a predetermined outcome.

The Board reserves the right, however, to place one or two articles of high public interest in specifically determined positions in order to maintain a level of strong public attendance throughout the duration of Town Meeting.

X. WATER AND SEWER COMMISSIONERS

X.1. Sewer Commissioners Policy

Following standard “good engineering practices” it is expected that a thorough review by the Town’s Engineers, the Department of Public Works, the Board of Health and other appropriate departments will be completed prior to a review of any request of the Board of Selectmen acting in the capacity of Sewer Commissioners.

The purpose of a public hearing is for the Board of Selectmen, as Sewer Commissioners, to confirm the departmental reviews, to consider any concerns of said departments, and to allow for public comment. In general, however, matters will not be brought before the Sewer Commissioners unless and until all concerns have been addressed and satisfactorily resolved.

1/9/79

X.2. Self-sufficient Water & Sewer System

On June 4, 1984, the Andover Board of Selectmen adopted a policy of the gradual phase-in of a self-sufficient water and sewer system.

Subsequent votes of the Board, in consideration of periodic rate hikes in attainment of this goal, have been unanimously supported by the Board.

X.3. Sewer Betterment Abatement Requests

The following is the Town’s procedure for addressing sewer betterment abatement requests:

1. All abatements are to be received and date-stamped in by the Assessor’s Office on an application for betterment abatement form.
2. The Assessor’s Office will then send the application to the Department of Public Works for their review and recommendation and a copy of the application will be sent to the Town Manager’s Office.
3. The Department of Public Works will review the request and return the application to the Town Manager’s Office with either a recommendation to deny the abatement request or a recommendation to adjust the betterment assessment no later than ten (10) working days from receipt of the request.
4. If the DPW recommends denial of the abatement request, then the Town Manager is authorized by the Water and Sewer Commissioners to send the applicant a denial letter with a copy to the Assessor’s Office.
5. If the DPW recommends an adjustment to the betterment assessment, then the Town Manager’s Office will schedule a hearing before the Board of Selectmen in their capacity as Water and Sewer Commissioners.
6. If the Board of Selectmen, in their capacity as Water and Sewer Commissioners, does not act on the sewer betterment abatement request within four months from the date of

the receipt of the application by the Assessor's Office, then the application is considered a "constructive denial".

7. If the applicant wishes to appeal the decision of the Water and Sewer Commissioners, they must file application with the Commonwealth of Massachusetts, Executive Office of Administration & Finance, and Appellate Tax Board.

X.4. Sewer Betterment Assessment Policy for Land Not Built Upon

It is a goal of the Board of Selectmen to support the continued preservation of open space. Therefore, the Board of Selectmen seeks to encourage owners of property which has not been built upon to apply for a deferral of sewer betterment assessments in accordance with Massachusetts General Laws Chapter 83, Section 19.

Procedure

A property owner should make application for a deferral on a form to be provided after the Board of Assessors has added the sewer assessment charge to a property owner's tax bill. The Board of Selectmen may then vote to grant a deferral until the land is built upon or for a fixed time. As required by State law, such a deferral is subject to an interest charge of 4% of the assessment per year and the assessment must be paid in full within three months after the land is built upon.

Conservation Restrictions

The Board of Selectmen also wishes to promote the placement of conservation restrictions on land that has not been developed. The Board of Selectmen will abate sewer betterment assessment for parcels upon which a permanent conservation restriction approved by the Executive Office of Environmental Affairs has been recorded. The property owner is not required to make any payments for sewer betterment assessments for parcels that have a permanent conservation restriction.

MGL Chapter 83. Sewers, Drains and Sidewalks

Section 19. Assessments; extension of time for payment.

Section 19. The aldermen of a city or the sewer commissioners, selectmen or road commissioners of a town may extend the time for the payment of such assessments upon land which is not built upon until it is built upon or for a fixed time; but interest at the rate of four percent per annum shall be paid annually upon the assessment from the time it was made, and the assessment shall be paid within three months after such land is built upon or at the expiration of such fixed time.

X.5. Water Supply Protection

The Board of Selectmen supports the efforts of the Conservation Commission, the Planning Board and other Town agencies in their ongoing attempts to provide protection of the Fish Brook/Haggetts Pond Watershed area, which is the source of water supply in Andover.

Goals and Objectives, as well as policy alternatives (considerations) were articulated in a consultant's study in February of 1986 entitled "The Fish Brook/Haggetts Pond Watershed: Water Supply in Andover". Because of the devastating effects of water contamination, it is recommended that these points be considered by Town Departments as well as the Board of Selectmen when setting priorities and courses of action in connection with the Town's water supply.

GOALS AND OBJECTIVES

"The goals for Andover's Fish Brook/Haggetts Pond watershed policy should be to reduce the unfavorable impact of existing development and to minimize the unfavorable impact of future development on water quality to the extent necessary to protect human health and to prevent the unnatural acceleration of eutrophication in Haggetts Pond. Objectives which will serve the stated goals include":

- 1) Identify the rate of eutrophication and primary cause of eutrophication in Haggetts Pond;
- 2) Refinement of the Town's system for response to transportation-related spills of hazardous materials;
- 3) Regular inspection of septic systems followed by cleaning, repair, or replacement as needed;
- 4) Rigorous enforcement of Town regulations concerning septic system installation, repair and replacement, as amended for watershed protection;
- 5) Determination of the impact of farm animal wastes on water quality, with subsequent regulation if necessary;
- 6) Inspection for and repair of leaking sewers;
- 7) Regular monitoring of leachate from Ledge Road landfill with subsequent collection and removal from watershed if necessary;
- 8) Regulation of underground chemical storage tanks and other storage, use, or disposal of hazardous chemicals;
- 9) Continued acquisition of lands judged particularly critical for protection from development;
- 10) Management of Town-owned and AVIS-owned land in such a way as to protect water quality;
- 11) Minimizing impact of storm runoff by minimizing volume and velocity of, and concentration of contaminants in the water;
- 12) Reduction of use of fertilizers and pesticides;
- 13) Minimizing rate of erosion and sedimentation due to construction;

- 14) A public education campaign to increase awareness that drinking water quality is directly related to individual activities such as use of fertilizers, pesticides, phosphate detergents, underground fuel tanks, septic systems, and hazardous chemicals, and to publicize watershed boundaries and flow patterns;
- 15) Monitoring water quality at critical points in the watershed and at the Merrimack River intake, and responding to changes in water quality.

POLICY ALTERNATIVES

- 1) Septic System and Sewer
- 2) Land Acquisition
- 3) Watershed Information and Monitoring
- 4) Emergency Response to Transportation-related Spills of Hazardous Materials
- 5) Zoning
- 6) Ledge Road Landfill
- 7) Chemical and Fuel Storage
- 8) Public Education
- 9) Fertilizer and Pesticides
- 10) Management of Town-owned Lands

TOWN OF ANDOVER

XI.2.

ALCOHOLIC BEVERAGE LICENSE POLICY

**Board of Selectmen
Licensing Board**

**Licensing Agent for Board
Randall L. Hanson
Town Clerk**

Last Revised: July 2009

XI.2. TOWN OF ANDOVER ALCOHOLIC BEVERAGE LICENSE POLICY

Whereas, it is desirable to adopt a uniform policy regarding the administration of liquor licenses and matters to be considered in determining action to be taken upon a finding that liquor laws have been violated.

The Board of Selectmen supports the following policy guidelines:

Administration of Liquor Licenses

The Town Clerk is the designated Licensing Agent of the Board of Selectmen. The Licensing Agent has the authority to accept and reject applications that do not meet the minimum requirements of the Alcoholic Beverages Control Commission and/or the Town of Andover.

Applications regarding Premises not actually in existence at the time of the application will not be approved unless and until a building permit has been issued by the Town of Andover and the applicant has filed with the application a plan showing the actual dimensions of the premises which are to be constructed on which the license is to be exercised. If construction of the premises is not completed at the time the license is approved, the license may be approved on the condition that construction shall be completed and as-built plans shall be filed prior to the issuance of the license.

Approvals of applications by the Licensing Board are valid for (6) six months from the date of approval by the Alcoholic Beverages Control Commission. If such time expires before the license is issued, due to the applicant's failure to meet all of the conditions imposed by the Licensing Board, the license will not be issued and the applicant must reapply and be reheard by the Licensing Board.

Before the expiration of the (6) six month approval period, the applicant may petition the Board of Selectmen for an extension of the approval period not to exceed 2 months. The extension may be granted for good cause. No more than one extension may be granted.

A record of all liquor licenses issued by the Board of Selectmen, both as to premises and owner, shall be maintained in the office of the Town Clerk. Said file shall contain all applications, correspondence, decisions, etc. regarding the licensed premises, and other written information. The file of each owner and premises shall be reviewed annually at the time of the license renewal.

Section amended: April 28, 2008, February 9, 2009

Hearings and Findings of Violation

When it is determined by the Licensing Board that an infraction against the liquor laws of the Commonwealth of Massachusetts and the Town of Andover has occurred at a duly convened public hearing and in accordance with due process, the Board of Selectmen shall consider taking appropriate disciplinary action. In determining the appropriate disciplinary action to be taken, the Board of Selectmen shall consider the following:

- 1....the written record of the establishment on file within the Office of the Town Clerk during the proceeding 36 calendar months and any prior infractions of the law during this period and transfer of ownership.
- 2....the particular merits of the case presented at the hearing inclusive of such factors as intent, culpability of the parties, and such other factors as the Board may deem relevant.
- 3....the extent to which the owner, proprietor or operator has undertaken procedures to preclude infractions against the law.

4....cooperation of the establishment owner, proprietor, and operators with the Town Clerk, Police Department, inspectors, and other Town officials in the conduct of its business.

5....such recommendations as the Town Manager may present.

Disciplinary Remedies

In general, in matters of first offense, the Board shall consider the issuance of a letter of reprimand to the owner and his representative, if there is one, a copy of which shall be placed on file in the license record of the office of the Town Clerk.

In matters of a second offense within the period of 36 calendar months the Board shall consider the issuance of a suspension for a period of 1-14 consecutive calendar days and shall so state the period of suspension.

In matters of a third or subsequent offense within 36 calendar months, the board shall consider a second suspension for a period of 1-30 consecutive calendar days and/or revocation of the license.

All of the above considerations shall serve as guidelines to the Board of Selectmen in their deliberations regarding charges brought against the establishment, owner, proprietor, or other operators concerning infractions of liquor laws of the Commonwealth and the Town of Andover. Each case shall be considered upon its individual merits.

***1979 (original adoption)**

1989 (support confirmed)

1996 (reaffirmed 11/18/96)

On authority of MGL Chapter 138 Paragraph 24 and MGL Chapter 6, Paragraph 43, any new application for a license to sell liquor, or for a change in an existing license to sell liquor, must be accompanied by an application fee. License approvals are first reviewed by the Board of Selectmen.

The purpose of the public review is threefold:

1. To ascertain whether the applicant has conformed to state and local statute. The Town Clerk's office shall review the initial application and be responsible for informing the applicant of his/her responsibilities prior to the review by the Selectmen.
2. To hear public comment on any aspect of the application/establishment that might have a bearing on the decision of the Board.
3. To hear any additional comments as they might relate to the application.

If approved, the application goes to the Alcoholic Beverages Control Commission (ABCC) for its approval. If the Board of Selectmen turns down an application for a license, the ABCC may still overturn the Board's decision and grant the license.

The Board of Selectmen shall set the hours of operation for any on-premise establishment. Once the operating hours are granted to any licensee, a change in these hours can be made only after a public hearing is held. Further explanation of the process follows as part of the Selectmen's understanding of the specifics of which the approval is based.

Amended policy: August 19, 1996

The following amendments pertain to all licenses unless otherwise specified.

1. The Town Clerk is the Licensing Agent for the Board of Selectmen. In addition, upon recommendation from the Town Manager and the Chief of Police, a Police Officer will also be designated as an agent to the Board of Selectmen who will work with the Town Clerk to insure that the policies of the Board of Selectmen and the Massachusetts State Laws regarding Alcoholic Beverage Licensing are adhered to by all licensees.
2. Any licensee intending to close their place of business must notify the Board of Selectmen in writing ten (10) days before such closing and shall state in the notice the reason and length of such closing. Any business that has been issued a license by the Town and has been closed for more than 60 days must appear before the Licensing Board to discuss the status of said license.
3. (a) No licensee shall contract bills for their licensed premise under any corporate or trade name other than that which is licensed.

(b) (1) MANAGER/CHANGE OF MANAGER

By the close of the next business day following the termination of employment of the Manager for any reason, the licensee must notify the Town Clerk, in writing, of the name of the person who will discharge the duties of manager pending selection and approval of a new manager. If, at any time, there is a change in the manager of record for the licensed premises, an application for change of manager must be filed no later than thirty (30) days after the effective date of the change. The Town Clerk will inform the Board of Selectmen of any changes in manager.

The Board may impose a penalty for failure to file a timely application for change of manager, which may include a penalty of suspension that may be up to one day of suspension for each day of non-compliance, unless the Board finds that there were circumstances which excused the non-compliance.

Except as otherwise provided in the Massachusetts General Laws or Regulations promulgated thereunder, the Manager must be a full time employee or a corporate officer of the licensee, and must be engaged exclusively in the management of the licensed business.

The Manager must be on the licensed premises regularly in the course of business, consistent with the permitted hours of operation. When the Manager is not upon the premises, a method of contacting the Manager promptly must be arranged so that the Manager can be reached at all times by the person designated to be in charge of the premises. The Manager should designate an Assistant Manager to be responsible in his or her absence. However, the Manager will continue to be responsible for the operation of the business whether or not on the premises.

(2) RESPONSIBILITIES OF MANAGER

The Board of Selectmen regards the Manager of licensed premises as the principal representative of the licensee and as having full authority and control of the licensed premises and of the conduct of all business therein relative to alcoholic beverages, as provided in MGL c. 138, § 26.

Without limiting the scope of the previous subsection and without limiting the penalties which may be imposed on the licensee for violation of these regulations, the Board will hold the Manager responsible for the following:

1. Careful selection of qualified employees of the licensed business, including servers, clerks and persons who are engaged with the public in any capacity.
2. Training of employees in all matters relating to the sale or service of alcoholic beverages. The Board strongly advises managers and all employees as they are hired to participate in a State recognized alcohol training program.
3. Failure of the Manager to comply with this policy or to properly discharge the duties of manager may result in removal as Manager or suspension or revocation of the license as may be appropriate to the circumstances.

Section 3 Amended September 26, 2005

4. Assignment of stock in a corporation granted an Alcoholic Beverage License gives no right to such assignee to conduct the business of the licensee; therefore, licensees must notify the Board of Selectmen immediately when the assignee forecloses under such assignment of stock.
5. (a) Licensees shall immediately notify the Board of Selectmen of any proceedings brought against them or any proceedings brought by themselves under the Bankruptcy Laws.

(b) Licensees shall immediately notify the Board of any court or administrative proceedings which may affect the status of this license.
6. No person may have a direct or indirect beneficial interest in any type of Alcoholic Beverage License without obtaining approval from the Board of Selectmen and the Alcoholic Beverage Control Commission.
7. All alcoholic beverages must be opened and consumed on the premises. (Section 12 Licenses)

With this in mind, the conduct of our employees, the atmosphere in the offices and the quality of the services performed are a legitimate concern to all of us.

Any suggestion you may have which would improve the service or improve the atmosphere of the offices will be carefully considered and gratefully appreciated.

Your treatment in the Town Offices should be courteous, prompt and efficient.

Your comments will be appreciated.

XIII.1. Town of Andover Safety Policy

It is the policy of the Town of Andover that every employee is entitled to work under the safest possible conditions in the many occupations that we represent. To this end, every reasonable effort will be made to provide and maintain a safe and healthy workplace, safe equipment, proper materials and to establish and require safe work practices at all times.

Accidents that injure people, damage machinery or equipment, and destroy materials or property cause needless suffering, inconvenience and expense.

Our Executive Safety Committee Advisor is Elaine Shola. She will be personally involved in seeing to it that all department heads and supervisory personnel carry out their delegated responsibilities in the area of employee safety.

The Executive Safety Committee will maintain an active role in promoting employee safety. All accidents must be reported immediately. All accidents/claims will be thoroughly investigated using the "Supervisor's Report of Accident" forms. The investigation should be conducted by the most immediate available supervisor of the injured worker. The responsibility of Department heads will be to make sure that the accident investigations are complete and that emphasis is placed on finding ways to prevent future injuries through this effort.

It is the basic responsibility of each employee to make safety a part of his/her daily concern. You are obligated to observe the rules of conduct and safety, and to properly use any safety equipment provided.

Employees are our most important assets. Your safety is our greatest responsibility. We appreciate your full cooperation in making this policy effective.

XIII.2. Non-Discrimination on the Basis of Disability Policy and Procedures

Statement of Commitment

The Town of Andover including the Andover Public Schools does not discriminate on the basis of disability in any employment-related areas, nor in the admission or access to its services, programs, or activities. It is Town's policy that no individuals, solely by reason of their disability, be excluded from the opportunity to participate in, or reap the benefits of, programs and services offered by the Town of Andover. Qualified individuals with disabilities will be afforded equal opportunity to participate as members of planning or advisory boards, commissions, or any other entity of local government.

To assure the provision of the above, the Town of Andover has appointed an Americans with Disabilities Act Coordinator and an ADA Action Committee, composed from representatives of the Department of Human Resources, the Andover Public Schools, and the Department of Plant and Facilities. Its role is to oversee the Town of Andover's implementation and adherence to the Americans with Disabilities Act. The ADA Coordinator will conduct periodic reviews of both the Town's written policies and actual operating practices. The Town of Andover will strive to provide appropriate services, accessible programs, and the placement of disabled people in its workforce.

The Director of Human Resources of the Town of Andover is the appointed official serving as the Coordinator of Americans with Disabilities Act (ADA) issues. The coordinator has the authority and knowledge to implement this policy and the regulations effectively. **See Resource List.**

The Coordinator's role is to:

- Plan and coordinate the Town's overall compliance efforts;
- Receive and investigate complaints concerning issues related to the ADA, access to programs and services, or employment practices;
- Provide technical guidance to Department Heads or identify experts or agencies that able to do so;
- Provide information and awareness training to supervisors and employees;
- Working with the ADA Action Committee to ensure efforts are made to comply with the act;

Disability Commission

The Andover Disability Commission consists of seven (7) members appointed and approved by the governing body of the Town of Andover. The majority of the members, as required by law, are disabled, although one may be a family member of a disabled person. One of the members of the Commission is an elected or appointed official of the town. **See Resource List.**

Primarily the Commission works to ensure that programs and activities are effectively designed to integrate people with disabilities into the community, however the specific activities of the Commission depend on the needs of the disabled community.

The Disability Commission will hold at least six (6) meetings each year and maintain records maintained of such meetings. An annual report must be filed with the Town Manager by December 31.

ADA Grievance Procedure

This grievance procedure has been established to provide prompt and equitable resolution at the local level to complaints arising under the requirements of this policy and the Americans with Disabilities Act. This procedure refers to complaints and grievances on the part of employees, students, citizens, and members of the public alleging discrimination on the basis of disability.

The complainant is urged to follow these guidelines when notifying the Town of the alleged violation.

Step 1: A complainant may file the complaint orally to a town or school official, but is encouraged to file the complaint in writing. The complaint should contain the name and address of the complainant and should provide as much detail as possible concerning the alleged violation and the remedy the complainant is seeking. Complainants are encouraged to file their complaint as soon as possible but in any case, no later than sixty (60) calendar days after the violation is said to have occurred.

Complaints filed within the Andover Public Schools or Town government may be filed with a school administrator or town official. These officials must, in turn, notify the ADA Coordinator within 48 hours of the complaint.

Step 2: Within fifteen (15) calendar days after receipt of a complaint, the ADA Coordinator will conduct an investigation of the complaint, including holding a meeting with the complainant.

Within fifteen (15) days after the investigation is complete, the ADA Coordinator will issue a written disposition of the complaint. The ADA Coordinator will include the Town's position and offer, if possible, options for resolution of the complaint.

Step 3: If the complainant is not satisfied with the response, he/she may appeal the decision within fifteen (15) days to the Town Manager or the Superintendent of Schools. Within fifteen (15) calendar days of receipt of appeal, the Town Manager or the Superintendent of Schools will convene the ADA Action Committee and reconsider the merits of the case. The Town Manager or the Superintendent of Schools will be responsible for notifying the complainant of the disposition of the appeal within fifteen (15) calendar days from the date of the meeting.

Records will be maintained in the office of the ADA Coordinator of all complaints and grievances for a minimum of three years.

Individuals always have the legal right to file a complaint independent of this process with the Equal Employment Opportunity Commission, the Massachusetts Commission Against Discrimination, or any other agency they choose. **See Resource List for information and a sample complaint form.**

Communications

Effective communications of the provisions of this policy and all other information intended for public dissemination is one of the formal requirements of the Americans with Disabilities Act. In that some people of the community have seeing, hearing, or speaking impairments, it becomes

the responsibility of the sponsoring authority to take whatever measures are necessary to make the relevant information accessible.

To accomplish this requirement, the following steps have been taken:

- a. **Assistive Listening Devices:** The Town has purchased portable assistive listening devices, and upon request, they are available for public meetings. For more information, please contact the ADA Coordinator.
- b. **Alternate Formats:** Alternate formats including large format, audio or videotape, or computer disk can be made available upon request. Such requests should be made within a reasonable time of afford compliance.
All notices announcing public meetings will include information about how attendees can request special accommodations to compensate for their disability. Such inquiries should be made to the ADA Coordinator.
- c. **TV Captioning:** Television captioning for locally originated programming is available.
- d. **Teletype (TTY):** communications including relay operation are available in the Elder Services and Human Resources Departments and the Andover Police Department.

Reasonable Accommodation Policy

Reasonable accommodation is a modification or an adjustment to a job, the work environment or facility, that enables a properly qualified individual with a disability to perform essential job functions or benefit from programs or facilities made available to the public.

Upon request, effort will be made to make reasonable accommodations to the physical and/or mental limitations of a person with a disability, unless it can be demonstrated that such an accommodation would impose an undue financial hardship or fundamentally alter the nature of a program. It is the policy of the Town of Andover that the decision about undue financial and administrative burdens will be made by the ADA Coordinator, in consultation with the ADA Action Committee.

Integrated Services Assurance

A key element of this policy is to ensure that services of all types be provided in the most integrated settings appropriate. Although it is permissible to conduct separate programs, these should not substitute for access to integrated programs and it is important that people with disabilities not be required to participate in separate programs when reasonable accommodations can be made.

Training Assurance Regarding Non-discriminatory Practices

It is the policy of the Town of Andover that staff training and development activities include, on a regular basis, information about ADA requirements and that these programs operate in such a manner that does not discriminate against people with disabilities. Such programs should include a full explanation of ADA policies, procedures, and practices.

Significant Assistance Assurance

Programs for which the town provides significant financial support will not discriminate against people with disabilities.

Assurance Regarding Surcharges

The Town of Andover will not impose surcharges on people with disabilities for the provision of program modifications, access improvements, or communications aids.

Transportation

All contracted transportation services provided by the Town to transport seniors, school children, the Andover Youth Council, or other participants in special programs, will attempt to provide to accommodations for people with disabilities.

Individuals needing accessible transportation should make their requests for such accommodations within a reasonable period of time in advance of a program or event. Should the Town not be able to provide accommodation, reasonable notice will be given.

Emergency Services

At this time, the Andover Police and Fire Department Offices have limited accessibility. Modifications to the existing facility or a new headquarters building are being considered. To compensate for this, reasonable accommodations have been made whereby a member of the Fire Department maintains a desk in the Community Development Office, which is accessible Monday through Friday from 8:30 A.M. to 10:30 A.M. for issuing permits and for conducting other routine business.

Members of both the Police and Fire Departments are thoroughly trained to deal with the special problems that may arise when conducting routine or emergency duties with members of the disabled community. A Teletype (TTY) telephone instrument is located at the police duty desk and is manned continuously. This instrument enables people with speech or hearing disabilities, using TTY instruments from their location, to communicate routine or emergency information to the town authorities.

A second TTY is located at the police duty desk which is solely for the purpose of receiving "enhanced 911" emergency calls. Any member of the community may register via the telephone company (Bell Atlantic) to have this service made available to them. Calls coming in to the station, from regular or TTY instruments, via this line immediately display pertinent information about the caller. Application forms for subscribing to this service are made available through the Andover Police Department. **See Resource List.**

Purchasing

All contractors, prospective contractors, sub-contractors, vendors, and suppliers will be notified in writing that, by law, while performing the work of their contract, they must not discriminate against any worker, employee, applicant for employment, or participant in the contracted program, on the basis of sex and sexual preference, race, age, religious preference, color, national origin, or disability.

Contracted providers of programs are required to provide equally effective opportunities for individuals with disabilities to participate in and benefit from the services and programs supported by public funds.

Human Resources

Employment/Pre-employment Criteria Policy

The Town of Andover, including the Andover Public Schools, recognizes that a very important element of the Americans with Disabilities Act pertains to the employer/employee relationship. The law prohibits employers from discriminating against a qualified person with a disability in all employment-related activities such as recruitment, hiring, promotion, demotion, layoff and recall, compensation, job assignments, job classification, benefits, training, and employer-sponsored activities including recreational or social programs. The Town of Andover strives to uphold and enforce these regulations and affirms that it shall offer the same employment rights and opportunities to all qualified applicants and employees.

The Town of Andover shall not use any pre-employment tests or other selection criteria that screens out, or tends to screen out, individuals with disabilities. To this end, all pre-employment inquiries will be restricted to an assessment of whether or not an individual is capable, with or without reasonable accommodation, to perform the essential functions of a job. Job descriptions are periodically reviewed to carefully delineate the essential duties from those which are marginal.

A qualified applicant is one who, with or without reasonable accommodation, can accomplish the principal objectives or essential functions of a job. A reasonable accommodation is an adjustment to a job (or the way a job is done), an employment practice, or work environment that makes it possible for an individual with a disability to perform the essential functions of the position and to enjoy on equal terms, conditions and benefits of employment.

Such modifications may include: making job facilities accessible and equally usable to all; modifying work schedules and when and how an essential function of a job is performed; obtaining, and modifying adaptive job equipment or devices; reassigning non-essential job functions; modifying methods of supervision or evaluation; modifying tests, examinations, selection devices, and/or the manner in which the same are administered; allowing time off for medical reasons; and reassignment or transfer to a vacant position.

In assessing a candidate for employment, promotion, or transfer, the Town of Andover will not inquire about a candidate's disability or need for a reasonable accommodation, nor ask a third party, such as a former supervisor for any information about an applicant's disability. This principle applies to any question about the following subjects: treatment for medical conditions or diseases; questions concerning hospitalizations; questions about treatment by a psychologist or psychiatrist for a mental condition; information about any major illness; questions concerning absences from work due to illness; and any questions concerning an individual's health history or worker's compensation experience.

The Town may ask an applicant about the ability to perform specific job functions. Inquiry may also be made concerning non-medical qualifications and skills such as education, work history or required licenses. All pre-employment inquiries will focus on an applicant's ability to do the job. Inquiries may include asking an applicant to describe or demonstrate how they would perform certain tasks, with or without accommodation, provided **all** applicants (except for applicants with visible or known disabilities) in the same job category are also asked the same questions. For example, if the job requires heavy lifting, the Town may ask **all** applicants to demonstrate how they would lift the weight. If an applicant needs a reasonable accommodation

to do the demonstration, the Town will either provide the accommodation or ask the applicant to describe how the task would be performed.

Hiring managers should note that it is permissible for employers to ask whether an applicant can meet the attendance requirements for the job and about the applicant's attendance at a former job. However, managers cannot ask how often an applicant was absent from a former job due to illness, as that question is likely to elicit disability-related information. The Town of Andover shall not make any pre-employment inquiry or conduct a pre-employment medical examination of an applicant to determine whether the applicant has a disability or the nature or the severity of a disability. Upon making an offer of employment, certain categories of workers are routinely asked to submit to a pre-employment physical to determine specifically if they are able to perform the certain job-related functions of their position, with or without, reasonable accommodations.

The Town of Andover contracts with an occupational health service to assess a candidate's ability to perform the job and/or an employee's fitness to return to duty. The occupational health service is knowledgeable about the requirements of Town positions and is able to make sound medical assessments and suggest possible accommodations. Medical examination information is confidential and is not maintained as part of an employee's personnel file.

Reasonable Accommodation in Employment Policy

It is the policy of the Town of Andover that reasonable accommodation be made for any qualified applicant or employee with a disability, unless it can demonstrate that the suggested accommodation would impose an undue financial or administrative hardship on the Town. Job applicants or employees should request reasonable accommodation through their immediate supervisor. This request must be forwarded to the ADA Coordinator, who in conjunction with the ADA Action Committee, will render a decision within 10 working days. If it is decided that the accommodation be denied in that it would place an undue financial or administrative burden on the Town, the aggrieved party may appeal the decision through the grievance process.

In determining the type of reasonable accommodation required for an applicant or employee, the Town need not provide the best accommodation available or the accommodation specifically requested by the individual with the disability. Rather, the Town will provide an accommodation, at its own expense, that it deems effective for the purpose. **See Resource List.**

Community Development and Planning Division

It is the responsibility of the Community Development and Planning Division to be fully aware of the requirements of state and federal laws in regard to accessibility to public buildings and properties. Architectural situations which might become barriers to disabled users of a facility have been identified and efforts are on-going to bring Town and School buildings into compliance. The Town's accessibility audit and Transition plan are available upon request to the ADA Coordinator. **See Resource List.**

Social Services - Community Services, Youth Services, Elder Services, Veteran Affairs.

The Town of Andover provides a wide range of citizen services through the departments of Community Services, Youth Services, Elder Services, and Veteran Affairs. These services are available to all who choose to participate for the purposes of adult and youth support, entertainment and enrichment. Although every reasonable accommodation will be made to address the issues of people with disabilities, the nature of some of these programs may be limited for participants in regard to their physical agility and mental ability. The Program Directors, for reasons primarily of safety, will screen and advise registrants accordingly. Efforts will be made when developing programs, including those whom require transportation, to follow the goals and guidance of this policy to ensure maximum opportunity and integration of persons with limited physical or mental health.

A teletype (TTY) telephone is located in the office of Elder Services for the benefit of persons with speaking or hearing difficulties. **See Resource List.**

Housing

The Town of Andover Fair Housing Plan, established in 1983, was developed to facilitate the coordination of factors that affect housing and equal access to housing. Although the Town of Andover Housing Authority is not under the direct control of officials of Andover, the residents of these housing units share full entitlement to the benefits of this policy and other policies relevant to equal opportunity and nondiscrimination. **See Resource List.**

Accessibility Audit and Transition Plan

An audit was conducted to identify architectural and communication barriers throughout all municipal facilities including public school buildings. As a result of this survey, the Town developed a long-term strategic plan to correct, over time, many of the identified barriers. A copy of the Town's Access Survey and Transition Plan is available upon request to the ADA Coordinator.

Sexual Harassment in the Workplace

I. PURPOSE

This memorandum establishes the policy of the Town of Andover regarding sexual harassment in the workplace by managers, supervisors, employees, members of the public who

use Town facilities, vendors and contractors. This memorandum also describes examples of conduct that may constitute unlawful sexual harassment and sets forth a complaint procedure to be followed by persons who believe that they are victims of unlawful sexual harassment.

II. POLICY

The Town of Andover fully supports the right of all persons to hold employment in, or enjoy access to, our facilities in an atmosphere which promotes equal opportunities and prohibits discriminatory practices, including sexual harassment. It is the Town's policy to maintain an environment that is free of sexual harassment. Sexual harassment by managers, supervisors, employees, members of the public who use Town facilities, vendors and contractors is unlawful and unacceptable and will not be tolerated. Further, any retaliation against an individual complaining of sexual harassment or cooperating with the investigation of sexual harassment is similarly unlawful and also will not be tolerated.

We view allegations and concerns about sexual harassment very seriously, and we will respond quickly and decisively to instances when complaints of sexual harassment are brought to our attention.

Where it has been demonstrated to our satisfaction that such harassment has occurred, we will promptly deal with and eliminate any harassment and/or other unlawful conduct. We will impose such corrective action as is necessary up to and including termination.

Please note that while this policy sets forth our goals of promoting a workplace that is free of sexual harassment, it should not be construed as preventing, limiting, or delaying the Town of Andover from taking disciplinary action against any individual up to and including termination, in circumstances where the Town of Andover deems disciplinary action appropriate regardless of whether such conduct satisfies the definition of sexual harassment.

III. DEFINITION OF SEXUAL HARASSMENT

A. The legal definition of sexual harassment:

Sexual harassment is a form of sex discrimination that is illegal under both Title VII of the Civil Rights Act of 1964 and G.L. c. 151B. These laws provide that unwelcome sexual advances, requests for sexual favors, and other physical or verbal conduct of a sexual nature constitute sexual harassment when:

- submission to or rejection of such advances, requests or conduct is made whether explicitly or implicitly a term or condition of an individual's employment or a basis for employment decisions affecting the individual; or
- such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, humiliating or sexually offensive work environment.

These definitions are broad and include any sexually oriented conduct, whether it is intended to harass or not, that is unwelcome and has the effect of creating a workplace environment that is hostile, offensive, intimidating or humiliating to either male or female workers.

B. Examples of conduct that can constitute unlawful sexual harassment:

Sexual harassment does not refer to behavior or occasional compliments of a socially acceptable nature. It refers to behavior that is not welcome, that is personally offensive and that fails to respect the rights of others. Sexual harassment occurs in a variety of situations which share a common element: the inappropriate introduction of sexual activities or comments into the work environment.

Sexual harassment often involves relationships of unequal power. Such situations may contain elements of coercion, such as when compliance with requests for sexual favors becomes a criterion for granting privileges or favorable treatment on the job. However, sexual harassment may also involve relationships among “equals,” such as when repeated advances or demeaning verbal comments by a co-worker towards another co-worker have a harmful effect on a person’s ability to perform his or her work. Sexual harassment can also involve employee behavior directed at non-employees or non-employee behavior directed at employees.

Examples of sexual harassment include, but are not limited to:

- repeated, unwanted sexual flirtations, advances, or propositions;
- continued or repeated verbal abuse or innuendo of a sexual nature;
- uninvited physical contact such as touching, hugging, patting, brushing or pinching;
- verbal comments of a sexual nature about an individual’s body or sexual terms used to describe an individual;
- display of sexually suggestive objects, pictures, posters or cartoons;
- continued or repeated jokes, language, epithets, or remarks of a sexual nature in front of people who find them offensive;
- comments or inquiries about a person’s body or sexual activity, deficiencies, or prowess;
- prolonged staring or leering at a person;
- making obscene gestures or suggestive or insulting sounds, such as whistling;

- the demand for sexual favors accompanied by an implied or overt threat concerning an individual’s employment status or promises of preferential treatment, such as favorable performance reviews, salary increases, promotions, increased benefits, or continued employment;
- indecent exposure;
- assault or coerced sexual acts.

This behavior is unacceptable in the workplace itself and in other work-related settings such as work-related social events and travel.

C. Dispelling common myths about harassers and victims:

Contrary to popular belief, sexual harassment is not limited to prohibited behavior by a male employee toward a female employee or by a supervisory employee toward a non-supervisory employee. Sexual harassment can be found in any of the following less “traditional” situations:

1. A man as well as a woman may be the victim of sexual harassment, and a woman as well as a man may be the harasser.
2. The harasser does not have to be the victim’s supervisor. He or she may be a supervisory employee who does not directly supervise the victim, a co-worker, or

in some circumstances, a non-employee such as a member of the public who uses Town facilities.

3. The victim does not have to be the opposite sex of the harasser.
4. The victim does not have to be the person at whom the unwelcome sexual conduct is directed; the victim may be someone who is affected by such conduct even though it is directed at another person. For example, the sexual harassment of one employee may create an intimidating, hostile, humiliating or offensive work environment for a coworker, or may interfere with the coworker's work performance. In addition, consensual sexual behavior in the office between two employees may be offensive to a third employee or result in favoritism that harms the third employee.
5. Sexual harassment does not depend on the victim's suffering an economic injury, such as losing a promotion, as a result of the harasser's conduct. As the examples of improper conduct listed above show, sexual harassment can occur whenever unwelcome conduct of a sexual nature creates an intimidating, hostile, humiliating or offensive work environment.

IV. EMPLOYEE RESPONSIBILITIES

Each employee of the Town of Andover is personally responsible for ensuring that his or her conduct does not sexually harass any other employee or non-employee in the workplace. Each employee is responsible for cooperating in any investigation of alleged sexual harassment if requested to do so by the person conducting the investigation.

V. SUPERVISOR AND MANAGER RESPONSIBILITIES

It is the responsibility of each supervisor and manager to strictly enforce the terms of this policy. Supervisors, managers, or department heads who become aware of incidents of sexual harassment in their departments, even in the absence of a formal complaint, should take appropriate actions to eliminate the conduct. Supervisors and managers may seek further information and guidance from the Personnel Department

VI. WAYS OF DEALING WITH SEXUAL HARASSMENT

A. Self-help

If an individual believes that he or she is being sexually harassed, the most immediate goal is to stop the offensive conduct. Individuals should:

- Promptly and firmly confront whomever is doing the harassing.
- State that his/her conduct offends, intimidates, and/or embarrasses you.
- Describe how the harassment negatively effects your work.
- Request that he or she stop the conduct immediately.
- Say things like: "Please don't touch me. I don't like it. It makes me uncomfortable"; "I don't think jokes like that are funny. Please don't tell them when I am in the room"; "I'd like it a lot better if you'd comment on the quality of my work rather than on the way I look"; "My name is _____, not 'honey'."

If practical, bring a witness with you for this discussion. After the discussion, write a summary of the conversation, including the date and name of anyone who accompanied you.

In all instances where an individual believes that he or she has been sexually harassed, it is helpful, but not necessary, to write down a description of the offensive conduct, the date or dates on which it took place, and the names of anyone who witnessed the conduct or heard the offensive remarks.

B. Seeking Guidance

In some instances, confronting the harasser directly may be too intimidating or uncomfortable, particularly when the harasser is an immediate supervisor. An individual who wants to discuss his/her situation may contact the Town's Personnel Director for more information about sexual harassment and the complaint procedure in order to decide whether to make a complaint.

C. Formal Complaint

1. An individual who believes that they have been subjected to sexual harassment has a right to file a formal complaint with his/her supervisor or, if appropriate, the Personnel Director. This may be done orally or in writing. The supervisor and/or the Personnel Director will conduct an investigation in a fair and expeditious manner.

The investigation will include a private interview with the person filing the complaint and with any witnesses. An interview with the alleged harasser will also be conducted. Once the investigation has been completed, the supervisor and/or the Personnel Director will present the findings to the appropriate department head.

2. If an investigation of a complaint of sexual harassment reveals that an employee, supervisor, manager or department head has engaged in actions or conduct constituting sexual harassment, the Department Head and/or the Town Manager will act promptly to eliminate the offending conduct and take appropriate disciplinary action, up to and including discharge. The disciplinary action taken will depend upon the seriousness of the violation.

Disciplinary action will be taken by the appropriate Department Head, in accordance with the Personnel Policy and Procedures Manual, appropriate union contract, or other appropriate disciplinary procedure. Such action may include: counseling, informal or formal reprimands, oral or written warnings, suspension, demotion, transfers, and other formal sanctions, including termination of employment. It is the responsibility of all supervisors, managers and department heads to strictly enforce the terms of this policy.

3. Any supervisor, manager or department head who prevents or attempts to prevent an individual from making a complaint of sexual harassment, or who fails to cooperate with or interferes in any way with the investigation of such a complaint, will be subject to disciplinary action.
4. *No Retaliation for Filing Complaint of Sexual Harassment:* No employee, supervisor, or manager shall be retaliated or discriminated against in any way for making a complaint of sexual harassment or for assisting in the investigation of such a complaint. Retaliation against any person for reporting sexual harassment is unlawful and will not be tolerated; further, it will subject the retaliator(s) to disciplinary action.
